

PROJECT: Ystradgynlais Sports Centre

Location: Ystradgynlais

Value: £39K

Timescale: 6 weeks

The client

Heart of Wales Property Services are part of Powys County Council and oversee property services in the county.

The brief

The works comprised of the extension of the existing fitness suite within Maesydderwen Comprehensive School, which is currently leased by Freedom Leisure.

Works included demolition of reception area / shower room and extending the original fitness suite. There was also mechanical and electrical installations to accommodate the new machines.

Project delivery

The project was carried out over the summer holiday period. The working area was sectioned off to create a safe division between the site and the school grounds. The works were completed on time, to the client and end users satisfaction.
